

Infinity Masks

The Infinity mask has been designed to provide maximum vision.

features

- ▶ The shape of the lenses and their inclination provide a wide field of vision both upwards and downwards. The side lens is made from an optical quality polymer offering brighter, and increased lateral vision. Patented cardanic joint buckles rotate both up-and-down and in-and-out. They provide maximum adaptability and comfort regardless of head shape. The quick counter-posed push button activation ensures the buckle is easy to use even when wearing gloves
- ▶ Skirt: Hypo-allergenic high grade silicone
- ▶ Frame Technopolymer
- ▶ Strap: Silicone
