

EXPERIENCE MORE OF THE UNDERWATER REALM. 'UP-SKILL' YOUR DIVING...

...with PADI and MUDGEE DIVE & TRAVEL!

Through **P.A.D.I.** we, at **MUDGEE DIVE & TRAVEL** can offer a very broad range of PADI Diver Specialty Courses.

After you become a trained scuba diver (even with another recognised training provider such as SSI), the P.A.D.I. Specialty Courses will provide you with new, additional skills and knowledge to expand your diving experiences into all new areas of interest, empowering you to become a more confident diver by increasing the type of dives you can comfortably and safely undertake.

** See over the page for Specialty Course costs and special deals / discounts for multiple courses.**

HOW MUCH TIME DO I NEED & WHEN DO I START?

- Weather permitting, PADI Specialty Courses can be completed in one weekend. We dive every month, and ALL courses can also be delivered outside of this time at *your* convenience.
- Any relevant theory and knowledge reviews should be completed **BEFORE** the actual diving commences. This allows maximum time for honing skill development and expertise when away.

WHAT DO I NEED TO DO?

To book a place on a course just contact us and let us know when you would like to start. Payment of \$200 deposit (payment in full if less than \$200) is required on booking to secure your place and to receive any required PADI learning materials.
