POSEIDON SE7EN

Designed, built and tested to perform in all conditions, the POSEIDON SE7EN is the next generation rebreather. Safety, performance, ease of use and desirability are combined to enable divers of all abilities to experience the underwater world without compromise. Whether you want to get closer to marine life, spend much more time underwater, dive deeper or simply enjoy the bubble-free silence, the POSEIDON SE7EN is the smartest, fastest, safest way to dive.

SE7EN Rebreather

The SE7EN has big advantages over traditional open circuit equipment:

- Get closer to marine life
- Much more time underwater
- Patented safety technology
- Plug and play
- Expandable system
- Proven Performance
